Q: Can I chat with other people watching the episode or event?

A: No, but you might want to arrange a watch party with friends, and then have a Zoom call afterwards to discuss what you've heard instead.

Alternatively, if local COVID-19 restrictions allow, you can meet up to watch the online event together as a group. We just ask that the rest of your group book a ticket too, so we know how popular the event is.

Q: What happens when I click on the event link that was in my email from Eventbrite?

A: That link takes you to a countdown page for the event. For *Date Night in a Box*, *Foundations For Life*, *The Funny Thing Is*, *Boundary Lines*, *Deep Rooted* and *Run the Race – Recovery* this will then go live at 7.45 pm on the night of the event.

Please note that the page with the countdown timer won't show after the start time of the event.
